Welcome

Thank you for choosing VoIPstudio as your Cloud PBX solution. This setup wizard will help you get started and guide you through configuration process.

First please update your company billing profile, so VoIPstudio can offer the best service possible. There is no need to enter payment details at the moment. You will be able to do this any time during your 30 days Free Trial period. All settings and configuration will remain unchanged if you decide to continue using VoIPstudio service after Free Trial period.
