

How to edit a record in Show Adjustment As screen

Here are the steps on how to edit a record in **Show Adjustment As** screen

1. From the **Note Receivables Maintenance** menu, click on **Show Adjustment As**.
2. Select an existing record, edit the value in the **Show Adjustment As** field and hit on Save button.

The screenshot shows a window titled "Show Adjustment As" with a standard Windows-style title bar (minimize, maximize, close buttons). Below the title bar is a toolbar with three icons: a floppy disk for "Save", a blue curved arrow for "Undo", and a window with a red X for "Close". Below the toolbar is a section with a "Remove" button (minus icon) and a "Filter Records (F3)" text box. The main area of the window contains a list of records, each with a checkbox on the left and a text label. The records are: "Show Adjustment As", "PAYMENT", "INVOICES", "INTEREST ADJUSTMENT", "PRINCIPAL ADJUSTMENT", "PREPAY", "FEE ADJUSTMENT", "NSF CHARGES", and an empty row. The "Show Adjustment As" record is currently selected. At the bottom of the window is a status bar with icons for help, error, and warning, followed by the text "Ready".
