

# Revert Mass Pricebook Changes

This screen is used in times that you accidentally committed mistakes in updating your pricebook item details and wish to revert back those changes. The following changes can be reverted:

- Item data update
- Item data mass add/update of item pricing
- Item discontinued updates

## Steps:

1. In **Store** menu, go to the **Pricebook** area click **Revert Mass Pricebook Changes**.
2. A screen for **Revert Mass Pricebook Changes** will show. Details like Original Filter Criteria and Original Update Values is also shown for reference.
