How To Create Association

Here are the steps on how to create Freight Rate:

1. From the ContractManagement > Maintenance menu, select Association.

- 2. Click on the Name grid to enter name.
- 3. Click on the **Printable Contract Text** grid to enter description.
- 4. Check the Active check box to make the association entry as active.
- 5. Click on **Save** to save the record.

Click of Dave to save the record.
