

How To Delete an existing Shipping Line.

Here are the steps on how to delete Shipping Line:

1. Open an existing Shipping Line you want to Delete.
2. Click on **Delete** button.

3. A warning message will prompt telling that you are about to delete the selected record. Click **Yes** to continue.
4. Selected Shipping Line will be deleted.
5. If the record is already used in any of the transaction screen, It will validate while trying to delete the record and it won't allow to delete the record.
