

How To Delete Physical Scale

1. From the **Ticket Management** menu, click on **Physical Scales**.
2. Select the existing Physical Scale record from Physical Scale Search screen that you want to delete.
3. Click on **Delete** button.

The screenshot shows a web application window titled "Physical Scale". The menu bar includes "New", "Save", "Search", "Delete" (highlighted in orange), "Undo", and "Close". The "Details" tab is active. The form contains the following fields:

- Physical Equipment ID: 3
- Connection Type: Database
- Description: Physical Scale
- Weight Stability Check: Single
- NTEP Capacity: 220,00
- File Connection Type section with fields for Filename and Path.
- Motion Detection section with fields for Enabled (checkbox), Starting Column (1), Field Length (3), and Motion Character (().
- Weight section with fields for Starting Column (3) and Field Length (6).
- Check Date/Time section with fields for Enabled (checkbox), Starting Column (19), and Field Length (14).
- Summary row: Test, Motion, Stable, Weight: 40,960.00, Date Check: 11-10-2018.

The status bar at the bottom shows a question mark, a globe icon, a lightbulb icon, "0.21s", "Saved", navigation arrows, "1 of 1", and a "Refresh" button.

4. A warning message will prompt telling that you are about to delete the record. Click **Yes** to continue.
