

How to Email Transport Loads

The Email button is used to send to the primary contact of customer a copy of the Transport Load Invoice. The email will use the format defined on the default Email Template of the customer (See also [How to Add Email Template](#)). Note that for this feature to work, make sure that the **Company Preferences > SMTP Email Settings** is properly configured (refer to [How to Set Up SMTP Email Settings](#)).

- 1. Open the Transport Load that you want to send to the customer.
- 2. Click the **Email button**. Sending of Email may take a while.
