

Login with 2-Step Verification Enabled

The verification code may be received via SMS or an email depending on the setup from the user's Preferences.

Your i21 verification code is 905561

1. Login using the credentials with 2-Step Verification Enabled
2. On successful login, **Two-Factor Authentication Code** screen will appear

3. Enter the code you received on SMS or from Email

4. Tick the "Don't ask for a code again on this computer" so that on next login from the same computer you will not need to reenter a code.
5. Click the **Verify** button to proceed to i21 main menu
