

How to Assign Portal Access to Contact List

Both the Portal Admin and the internal user can assign portal access to the contact list

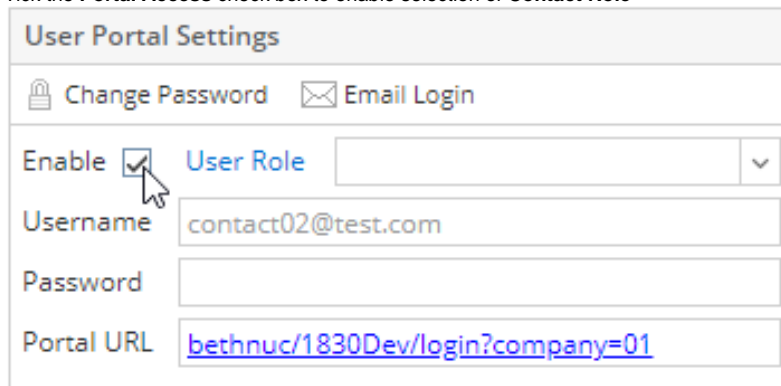

To Assign Portal Access by Internal User:

1. Log in as an Admin/internal user
2. Open an entity record, then open the **Contacts** tab

Name	Email Distribution	Email (username)	Title	Phone	Mobile	Location Name	Time Zone	Portal Access	Act
<input type="checkbox"/> test		beth.delepaz@irely...				test	(UTC-04:00) Eastern ...	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>
<input type="checkbox"/> contact 01		contact01@test.com				test	(UTC-04:00) Eastern ...	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>
<input type="checkbox"/> contact 02		contact02@test.com				test	(UTC-04:00) Eastern ...	<input type="checkbox"/>	<input checked="" type="checkbox"/>

3. Select and open the contact record to have portal access
4. Tick the **Portal Access** check box to enable selection of **Contact Role**

To Assign Portal Access by Portal Admin:

1. Log in as Portal Admin

2. Open **User List** menu

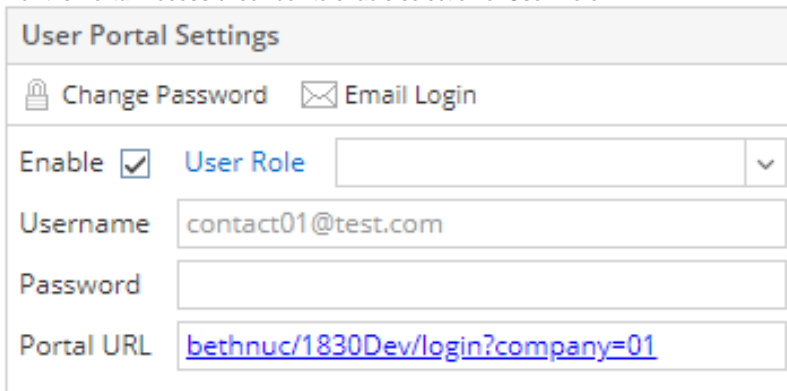

The screenshot shows a 'User List' window with a 'Details' tab. It contains a table with columns: Full Name, Email (username), Phone, Title, Location, Time Zone, Portal Access, and Active. There are three rows of data.

	Full Name	Email (username)	Phone	Title	Location	Time Zone	Portal Access	Active
<input type="checkbox"/>	test	beth.delapaz@irely.com			test	(UTC-04:00) Easter...	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>
<input type="checkbox"/>	contact 01	contact01@test.com			test	(UTC-04:00) Easter...	<input type="checkbox"/>	<input checked="" type="checkbox"/>
<input type="checkbox"/>	contact 02	contact02@test.com			test	(UTC-04:00) Easter...	<input type="checkbox"/>	<input checked="" type="checkbox"/>

3. Select and open the desired contact record to have portal access

4. Tick the **Portal Access** check box to enable selection of **User Role**

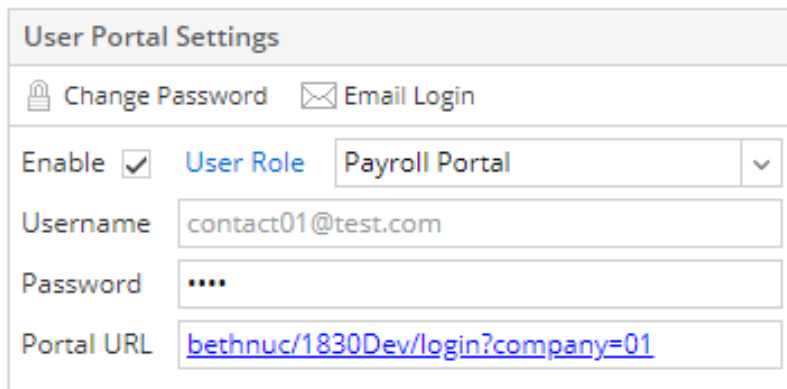

The screenshot shows the 'User Portal Settings' form. It has a 'Change Password' button and an 'Email Login' button. The 'Enable' checkbox is checked. The 'User Role' dropdown is blank. The 'Username' field contains 'contact01@test.com'. The 'Password' field is empty. The 'Portal URL' field contains 'bethnuc/1830Dev/login?company=01'.

5. Select a user role for the contact or create a new by clicking the User Role hyperlink while the field is blank

6. Enter a password for the contact

7. Click **Save** button

The screenshot shows the 'User Portal Settings' form after updates. The 'User Role' dropdown now shows 'Payroll Portal'. The 'Password' field now contains four dots '....'. The 'Portal URL' field remains 'bethnuc/1830Dev/login?company=01'.

To Assign Portal Access by Portal Admin:

1. Log in as Portal Admin

2. On user's menu panel, expand **Purchasing/Sales** then select **Vendor Contact List**

The screenshot shows the 'Vendor Contact List' window. It has a 'Close' button at the top left. Below the title bar is a 'Details' tab. A toolbar contains '+ Insert', 'Open', 'Remove', 'Email Login', 'Layout', and a search icon. A 'Filter Records (F3)' input field is on the right. The main area is a table with columns: Full Name, Email (username), Phone, Title, Location, Timezone, Portal Access, and Active. There are three rows of data.

	Full Name	Email (username)	Phone	Title	Location	Timezone	Portal Access	Active
<input type="checkbox"/>	137-Ent	137-Ent@irely.com			137-Ent Location	(UTC-11:00) Coord...	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>
<input type="checkbox"/>	contact1	contact1@test.com				(UTC-12:00) Intern...	<input type="checkbox"/>	<input checked="" type="checkbox"/>
<input type="checkbox"/>	contact2	contact2@test.com				(UTC-12:00) Intern...	<input type="checkbox"/>	<input checked="" type="checkbox"/>

At the bottom, there is a status bar with icons for help, refresh, and a lightbulb, followed by the text 'Ready'.

3. Select and open the contact record to have portal access

The screenshot shows the 'Entity Contact - contact1' window. It has a title bar with 'New', 'Save', 'Delete', 'Undo', and 'Close' buttons. Below the title bar are tabs: 'Detail', 'CRM Information', 'Audit Log (1)', and 'Additional Information'. The 'Detail' tab is active. It contains a form with fields for: Full Name (contact1), Email (username) (contact1@test.com), Title, Country (Philippines), Timezone ((UTC-12:00) International Date Line West), Phone, Contact Method, Location Name, Department, Type, Email Distribution, and Active (checked). There is an 'Add Photo' button next to the email field. On the right, there is a 'User Portal Settings' section with 'Change Password' and 'Email Login' buttons, 'Portal Access' (checked), 'User Role' (dropdown), 'Username' (contact1@test.com), and 'Portal URL' (localhost/1620.210/i21/). Below this is a 'Contact Information' section with '+ Insert', 'X Remove', and 'Types' buttons, and a table with columns 'Type' and 'Details'.

4. Tick the **Portal Access** check box to enable selection of **Contact Role**

This is a close-up of the 'User Portal Settings' section. It shows the 'Portal Access' checkbox is checked and circled in red. The 'User Role' dropdown is also visible. Below these are fields for 'Username' (contact1@test.com), 'Password', and 'Portal URL' (localhost/1620.210/i21/).

5. Select a user role for the contact

6. Enter a password for the contact

Password:

7. Click **Save** button

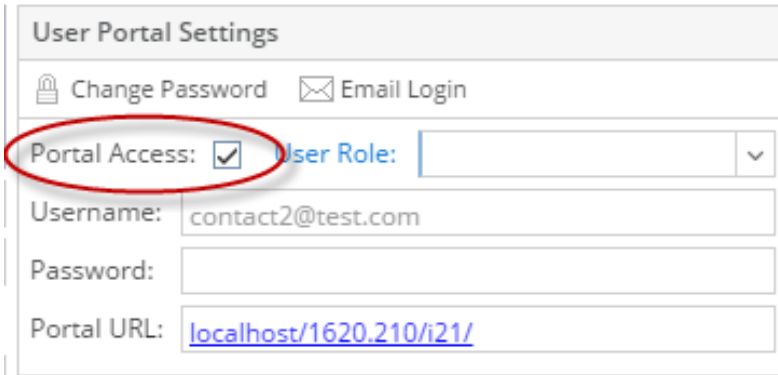

To Assign Portal Access by Internal User:

1. Log in as an Admin/internal user
2. Open an entity record, then open the **Contacts** tab

Name	Email Distribution	Email (username)	Title	Phone	Mobile	Location Name	Timezone	Portal Access	Active
<input type="checkbox"/> contact2		contact2@test.com					(UTC-12:00) Internatio...	<input type="checkbox"/>	<input checked="" type="checkbox"/>
<input type="checkbox"/> contact1		contact1@test.com					(UTC-12:00) Internatio...	<input type="checkbox"/>	<input checked="" type="checkbox"/>
<input type="checkbox"/> 137-Ent		137-Ent@irely.com				137-Ent Location	(UTC-11:00) Coordina...	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>

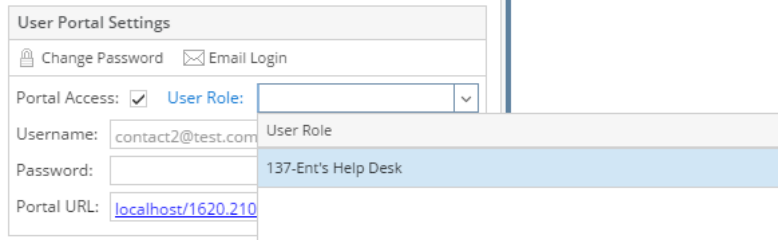

3. Select and open the contact record to have portal access

4. Tick the **Portal Access** check box to enable selection of **Contact Role**

The 'User Portal Settings' form is shown. The 'Portal Access' checkbox is checked and circled in red. The 'User Role' dropdown is empty. The 'Username' field contains 'contact2@test.com', the 'Password' field is empty, and the 'Portal URL' field contains 'localhost/1620.210/i21/'.

5. Select a user role for the contact

The 'User Portal Settings' form is shown with the 'User Role' dropdown menu open. The dropdown list contains '137-Ent's Help Desk'.

6. Enter a password for the contact

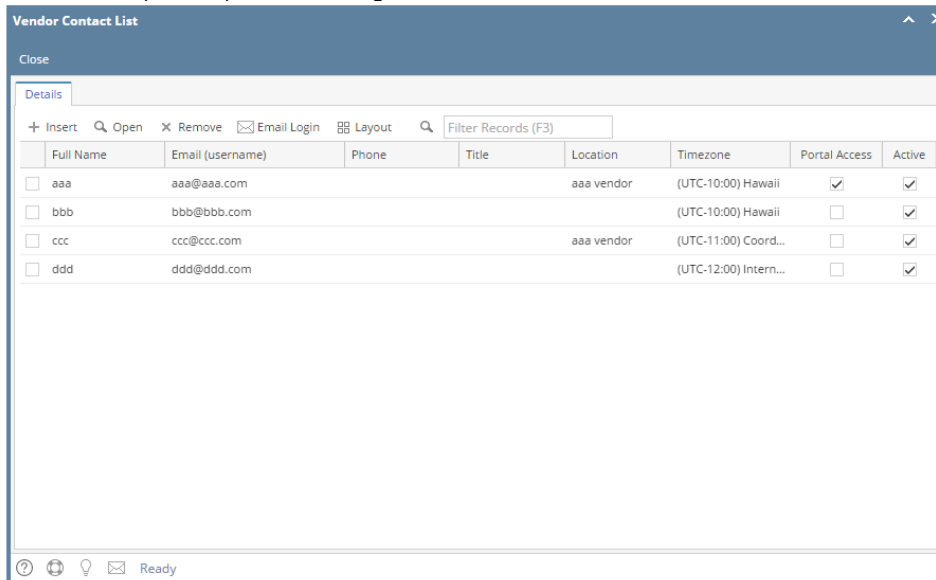

A password input field is shown with the label 'Password:' and a masked password '****'.

7. Click **Save** button

To Assign Portal Access by Portal Admin:

1. Log in as Portal Admin
2. On user's menu panel, expand **Purchasing/Sales** then select **Vendor Contact List**

The 'Vendor Contact List' table is shown. It has columns: Full Name, Email (username), Phone, Title, Location, Timezone, Portal Access, and Active. The table contains four rows of data.

	Full Name	Email (username)	Phone	Title	Location	Timezone	Portal Access	Active
<input type="checkbox"/>	aaa	aaa@aaa.com			aaa vendor	(UTC-10:00) Hawaii	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>
<input type="checkbox"/>	bbb	bbb@bbb.com				(UTC-10:00) Hawaii	<input type="checkbox"/>	<input checked="" type="checkbox"/>
<input type="checkbox"/>	ccc	ccc@ccc.com			aaa vendor	(UTC-11:00) Coord...	<input type="checkbox"/>	<input checked="" type="checkbox"/>
<input type="checkbox"/>	ddd	ddd@ddd.com				(UTC-12:00) Intern...	<input type="checkbox"/>	<input checked="" type="checkbox"/>
