

How to Get Started with Filing a New State

i21 Motor Fuel Tax Forms module provides our users the ability to electronically review Motor Fuel Tax filing information. This is done on a per-state basis. For each state you would like to use this module, you must purchase a license. For more detail about how the license is structure, please contact iRely Sales group.

Once a license is obtained, you will see this state being displayed in the Tax Authority area on Company Configuration screen's Motor Fuel Tax Forms area. You can find Company Configuration in the System Manager menu.

The screenshot shows the iRely LLC System Manager interface. The 'System Manager' menu is open, and the 'Company Configuration' window is displayed. The 'Details' tab is active, showing company information such as 'Company Name', 'Tax Address', 'City', 'State', 'Zip Code', 'Sales', 'Contact Name', 'Contact Phone', and 'Contact Email'. The 'Tax Authorities' section is highlighted, showing a list of states with checkboxes for filing. The 'Motor Fuel Tax Forms' option is selected in the left sidebar.
