

How to Create Shipping Instruction (Option2)?

1. Open Load/Shipment Screen.
2. Select 'Shipment Type' as 'Shipping Instruction'.
3. For rest of the other steps to be followed please refer the page 'how to create Inbound Shipment?'.
4. Click on Print button for 'Shipping Instruction'.

localhost/17.17.17.17:17.17.17.17

5. It will generate a Shipping Instruction document print.

irely
