

How to Install the Document Watcher

1. Download the installer from http://i21server2.com/installers/i21_documentwatcher.exe
2. Run the application

3. Click Next until you finish the installation, it will only take 1-2 minutes

4. Open the installed application, and you will see a Login screen

The screenshot shows a login window with a pink border. In the top right corner of the window is a red close button with a white 'x'. The main content area has a light gray background. At the top left of this area is a yellow padlock icon. To its right is the word 'Login' in a bold, black font. Further to the right, in the top right corner of the content area, is a blue link labeled 'Settings'. Below the 'Login' text, there are three input fields stacked vertically. The first field is labeled 'Username' and has a blue border. The second field is labeled 'Password' and has a gray border. The third field is labeled 'Company' and has a gray border. Below these fields is a blue button with the word 'Login' in white text.
