

How To Delete Certification programs

Here are the steps on how to delete Certification:

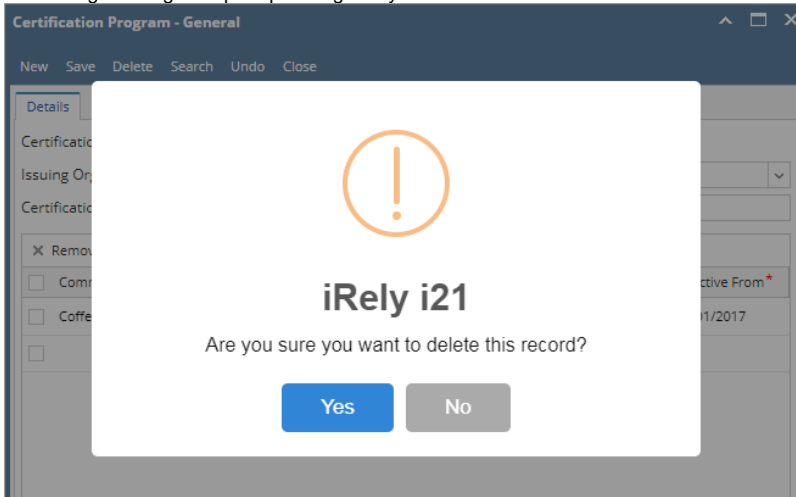

1. Open an existing Certification you want to delete.
2. Click on **Delete** button.

The screenshot shows the 'Certification Program - General' window. The 'Delete' button in the top menu bar is highlighted with a red box. Below the menu bar, there are input fields for 'Certification Program' (General), 'Issuing Organization' (general), 'Certification ID' (-), 'Global Certification' (checkbox), 'Specific Country' (dropdown), and 'Certification Code' (0). Below these fields is a table with a 'Remove' button and a table of records.

Commodity	Currency	Certification Premium	Per UOM	Effective From
<input type="checkbox"/> Coffee	USC	0,50	LB	31/01/2017
<input type="checkbox"/>		0,00		

3. A warning message will prompt telling that you are about to delete the selected record. Click **Yes** to continue.

4. Selected record will be deleted.
