# How to Perform 'Bought' device action

'Bought' action allows the user to classify the device that has been bought to a Customer. This device event is not applicable to a Company Owned device.

1. Open the Device Actions screen. Refer to Device Actions for the field description.
2. Select '**Bought**' from the **Action combo box** list.

3. Click the **OK toolbar button**. The Device Actions screen will be closed and you will be returned to the **Devices tab**.
4. Device Type will automatically change from Customer Owned to **Company Owned**.
5. The auto-generated event will be displayed on the Event History tab.
6. **Save** the changes in the Consumption Sites record.
