

HOW TO SET UP PRICE INDEX

CF Menu > Pricing/Fees Setup > Pricing Index Maintenance – this is a One Time Setup

The screenshot shows a software window titled "cpixm Pricing Index Maintenance". The window has a menu bar with "File", "Delete Line <F7>", and "User Manual". Below the menu bar are icons for Save, Print, and Help. The main area contains two input fields: "Pricing Index ID" and "Description". Below these fields is a table with two columns, both labeled "COMARK". The table is currently empty, and a mouse cursor is visible over it.
