# How To Remove Associations

Here are the steps on how to delete associations:

1. From the **Contract Management > Maintenance** menu, select **Associations.**
2. Select association name you want to delete. You can select multiple names.

3. Click on **Remove** button.
4. A warning message will prompt telling that you are about to delete the selected record. Click **Yes** to continue.

5. Selected associations will be deleted.
