

How to enter in Details Tab:

Pick Lots section:

- 1. After entering header information, please select pick lot references in Pick Lots section.

The screenshot shows the 'Delivery Order' form. The 'Details' tab is active. The 'Pick Lots' section on the left has a dropdown menu open, showing a list of pick references and their corresponding dates. The 'Delivery Details' table on the right is currently empty.

SO Number	SO Seq	Lot No.	Receipt No.	Item	Mark	Picked Qty	UOM	Gross Wt.	Tare Wt.	Net Wt.
-----------	--------	---------	-------------	------	------	------------	-----	-----------	----------	---------

Delivery Details:

- 2. On selecting pick lot reference, corresponding Delivery Details will be displayed in this section.

The screenshot shows the 'Delivery Order' form with the 'Delivery Details' table populated. The 'Pick Lots' section on the left shows reference number 21 selected. The 'Delivery Details' table now contains one row of data.

SO Number	SO Seq	Lot No.	Receipt No.	Item	Mark	Picked Qty	UOM	Gross Wt.	Tare Wt.	Net Wt.
82	1	LOT-38	INVRCT-43	Item - 006		1,000.0000	Bags of 60 kgs	61.0000	1.0000	60.0000

- 3. Upon saving, Delivery Order number will be auto generated.
