

How to Add a Bundle

 This screen has been obsolete since version 15.4.

1. Click the **Sales | Bundles menu**. This will open a new Bundle screen if there is no existing record yet. If not, click the **New toolbar button** on the integrated search grid.

2. Enter a unique **Bundle Name**. This is a required detail.
3. Assign a **Product Type** to the bundle. This also a required detail.
4. Check the **List Bundled Items Separately** option if necessary.
5. Click the **Item No** combo box button and add the items that will make up this bundle.
