Filter Field	Condition	From	To	Operator
<input type="checkbox"/> Requested Date	Between	12/22/2016		AND
<input type="checkbox"/> Customer Number	Between			AND
<input type="checkbox"/> Site Number	Between			AND
<input type="checkbox"/>				

? Ready

4. Fill out report's parameter section.
 - **Requested Date** - This filter is based on the Call Entry > Requested Date field. When a call entry is created, this field automatically defaults to today's date.
 - **Customer Number** - Use the combo box to select from the list. This parameter is being used to filter the report by customer number.
 - **Site Number** - You can select from the combo box list, or type one in. Use to filter the report by consumption site's number.
