<input checked="" type="checkbox"/> Muncie		Muncie	IN	47308	United States				0.00	0.00

This is needed to effectively reflect the freight rate setup of the customer to the Transport load

4. After the steps above, Go to Transport > Transport load and create a Terminal to Customer using the vendor and customer that has setup above.
5. As soon as Receipt Link is selected freight setup of the customer(distribution) and vendor(receipt) will be populated.
