

How to Open the Manufacturer Screen

- **From Menu panel:**

1. On the Menu panel, click the **Devices** menu.
2. On the Devices screen, click the **Manufacturer Label**.

The screenshot shows the 'Devices' application window. The 'Details' tab is active, and the 'Manufacturer' label in the 'Asset Info' section is highlighted with a red box. The 'General' section includes fields for Device Type (Tank), Description, Ownership (Company Owned), Bulk Plant Number, Inventory Status, Comment, Installed on Tank, Regulator Type, and Lease Number. The 'Asset Info' section includes fields for Serial Number, Manufacturer (highlighted), Manufactured Date, Model Number, Asset Number, Purchase Price (0.000), and Purchase Date. The 'Meter Info' section includes fields for Meter Type, Meter Cycle (0), Meter Status, and Meter Reading (0). The 'Tank Info' section includes fields for Tank Capacity (0), Tank Reserve (0), Tank Type, and Est Gallons in Tank (0) with an 'Underground' checkbox.

- **From Consumption Site screen:**

1. [Consumption Sites record](#).
2. Navigate to **Devices** tab and select any attached device.
3. Click **Open** button. This will open Devices screen.

The screenshot shows the 'Consumption Sites' application window. The 'Devices' tab is active, and the 'Open' button is highlighted with a red box. The 'Associated Sites' section includes fields for Site, Detail, Devices, Associated Sites, Order, Appliances, Deliveries, Events, Work Orders(8), Attachment, and Audit Log. The 'Open' button is located in the 'Associated Sites' section. The 'Devices' section includes fields for Device Type, Serial No., Ownership, Manufacturer, Tank Capacity, and Description.

4. On the Devices screen, click the **Manufacturer Label**.
