

# Distribute Scale Ticket with Grades and Weights = Destination

With this process, final net units will be weighed in the Destination location and that will be invoiced to the customer.

To start with, you will need to create a Sale Basis Contract.

- From Contract Management > New Contract.
- Fill in all the required fields. Make sure the Grades and Weights are set to 'Destination'.

Note: Once Scale Ticket is distributed, Inventory Shipment will be created. No Sales Invoice yet.

This is the Inventory Shipment transaction. Scale Net Units is equal to Inventory Shipment Quantity.

Price here is a temporary price that came from the Future and Basis price setup from Risk Management.
